

Genie GTH- 4018

General characteristics

Brand	Genie
Subcategory	Rigid telehandler
Year of construction	2016
Hours displayed	2115
Colour	Blue
Condition	Used
General state	Good
Fuel	Diesel
Reference	108361

Properties

Single weight	11.416kg
Serial number	16M-205
Max. lifting capacity	4.000kg
Lifting height	17.610mm
Mast type	Telescopic

Technical specifications

Drive	wheels
Assets	75kw

Description

Machine type : telescopic handler Brand : Genie Model : GTH-4018 Year : 2016 Engine: diesel, Perkins Operating hours: 2115 Gearbox / drive : automatic 4x4x4 Capacity : 4000kg Boom / Mast : telescopic Lifting height :17.61m Forward reach maximum: 13.36m Hydraulic outriggers Forks : yes Bucket: no Tyres : normal condition Condition of machine : good ID108361
